Feedback from some of Nicole's clients...

Nicole was overall awesome. Very quick to generate an accurate & up to date assessment of the market, that is changing monthly. Very organised, and professional, all processes happened quickly with ease & I was kept in the loop at all times. I felt very comfortable to let go and let Nicole do her job, which was important as I've sold a property myself and had some insights to 'the process'. You know when someone makes something look really easy, means they have spent a ton of time and effort at their job.

So thanks for being an expert and getting me a great deal.

- Leigh Ray

Being tenants in a property that went up for sale was initially nerve wracking but Nicole from MR Real Estate First National made the whole process smooth & non intrusive. She was very respectful & mindful of the fact it was our home, she was very accommodating when it came to showing the property & what worked well with our schedule, causing as little disruptions as possible whilst getting the best deal possible for the owners. She is very professional yet friendly, kind & thoughtful. Our kids loved her too!

- Melanie Hobers

Nicole Fowler was very professional and personable and extremely efficient throughout the selling process. Nicole takes a balanced approach between the seller and buyer and we thoroughly recommend her to any prospective people in the real estate market.
